

Thomas F. Walsh

732-841-5792

28 Clover Hill Drive, Jackson, New Jersey 08527

twalsh@njmpa.org

Objective and Purpose:

To acquire accreditation from the New Jersey Department of Environmental Protection for official recognition and endorsement of a certifying agency where I will conduct qualified training courses and examinations for the purpose of certifying and re-certifying individuals as certified backflow device testers.

I have been continually seeking to maintain a high standard of education, professionalism and integrity through industry specific seminars and other training technologies for which I have been awarded the following licenses, certifications and endorsements listed below:

New Jersey Division of Codes and Standards

- Plumbing Subcode Official # 5634
- Plumbing Inspector HHS Level # 5634
- Plumbing Inspector ICS Level # 5634
- Construction Official # 5634
- Housing Official # MD1103
- Building Inspector RCS Level # 5634
- Building Inspector ICS Level # 5634
- Hotels / Multiple Dwellings Inspector # MD1103
- Mechanical Inspector # 5634
- Fire Protection Inspector # 5634

New Jersey State Board of Examiners of Master Plumbers

- State Licensed Master Plumber # 7854
- Board Accredited Continuing Education Instructor # 89
- Board Accredited Continuing Education Sponsor # 30
